CHALLENGE *of our school year.*

DEDICATION

In the making of a good high school, there are many areas for improvement and expansion. In these changes many people play an important role. Perhaps the most important role is played by those who set high goals and objectives and strive to attain them.

Gamewell has been fortunate in having one such person who not only set high goals but also worked diligently to see that the goals became realities.

That person, Coach Bill Link, has helped Gamewell's football team to move from the six- to the eleven-man bracket. Since he came to Gamewell in 1955, the school has been a continuous improvement in the athletic program. Link-coached football teams have maintained a total won-lost record of 31-2, winning two conference titles and a state championship.

Coach Link, former gridiron star, was selected "Coach of the Year" for the 1959-'60 football season by the other mentors in the District Seven Southern Conference for his capable direction of the Blue Devils.

Always a sports enthusiast, Coach Link began his football career at Lenoir High School in 1942. Playing three years, he excelled in football and was named most valuable player during the 1945 season.

After graduating from high school, he joined the United States Air Force, where he played two years of service football, proving to be a valuable asset to the Eighth Air Force Bombers.

Coach Link entered Wake Forest College in 1949, where he majored in physical education. He displayed unusual prowess on the gridiron and was selected on the No. 1 All-State team and on the second All-Southern Conference eleven in 1951. He also received honorable mention for All-American.

After a short stay with the Washington Redskins, Coach Link entered the teaching and coaching profession in 1954. His first teaching position was at Cherryville, North Carolina; he later taught at Sawmills, North Carolina.

This 1960 edition of the "Devil's Diary" is dedicated to William Caldwell Link, coach since 1955, in recognition of his splendid record.

In this dedication we wish to reflect our deep and sincere appreciation of his singular devotion to and untiring efforts in behalf of our beloved school. We, as benefactors, are grateful for his wise counsel, able leadership, impartial judgment, and tempered discipline.

We hail you, Coach Link, and pledge you our loyalty.

The CHANTICLEER becomes a reality

VOL. I — GAMEWELL HIGH SCHOOL, LENOIR, N. C., OCTOBER 6, 1959 — No. 1

Gamewell High Enrolls Record-Breaking Senior Class

This year Gamewell High boasts the largest senior class enrollment in the history of the school. Sixty-four seniors are registered for this figure registered for the record of 44 graduated last year. Other enrollment figures are: juniors, 57; sophomores, 74; and freshmen, 99.

However, total enrollment is down from the initial enrollment a year ago. Two hundred and ninety-seven high-schoolers enrolled for classes when school doors were opened on September first. In the fall enrollment for the elementary grades was 891, with the largest increase in the first grades. One hundred and twenty first graders began their school careers this fall. Last year beginners numbered 108.

CORPENING BEGINS 31ST YEAR

25 Years At Gamewell

A real milestone was reached upon the opening of this school year. Mr. Reece Corpening, our principal, began his thirty-first year of service to the field of education. Twenty-five of those years have been devoted to Gamewell.

In 1929, the Gamewell School Committee elected Mr. Corpening to serve as the school's principal. The faculty then consisted of two teachers. However, Sawmills, a school on strike for a male principal, contacted him to serve as executive head there. Being the only eligible male principal in the county, he accepted this position at Sawmills and remained there for five years as teacher-principal.

In 1934, Mr. Corpening received another call from Gamewell asking him to succeed Mrs. George Tuttle as head of the school. This time he accepted and has spent 25 years serving the school.

During the years 1942-45, he was in the Air Force stationed in England. The erection of the high school building, now the junior high unit, occurred during his absence. The enrollment of this first high school was 110.

"Fessor," as he is affectionately known to students and teachers, joined the teaching staff of Gamewell School when it numbered seven. During the 25 years he has spent here, 35 teachers have been added—quite an addition to the two in 1929!

Among the present 42 there are hers having long years of service ducation. They are Frances B ell, 35 years with ten at ty, Roger M. McGirt, 19 with two years at G Correll, 12 years here; amin R. Setzer, ten at nd Howard W. Holthe school for nine

'FESSOR

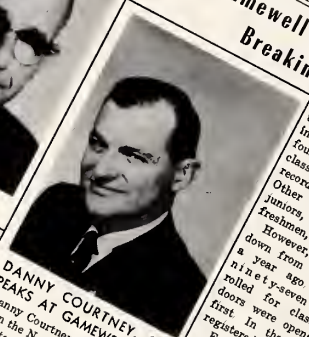
ALAN CRAIG HEADS SENIOR CLASS

Alan Craig heads the list of senior class officers for the class of '60. Adrain Greene will serve as vice-president, Florence Snyder as secretary, Brenda Saunders as treasurer, and Eveline Wootton as reporter.

Alan is serving his second year as vice-president of the student council and was the school's representative to Boys' State in June of this year. Adrain Greene is a member of the student council and is assisting in office work. Florence Snyder is a member of the annual staff and an honor roll student. Brenda Saunders is a member of the Beta Club and the Future Teachers Club and Eveline Wootton also is a Beta member and a future teacher.

Senior store workers for the year are as follows: Brenda Hoyle, Alan Craig, Florence Snyder, Rebecca Ward, Mary Curtis, Brenda Oliver, Lucy Moore, Virginia Clay, Jewell Shoemake, Barbara Saunders, Carroll Bowman, Peggy Saunders, Judy Saunders, Adrain Kincaid, Joanne Watson, Donald Greene, Jack Roberts, and Mary Houck.

The senior rings arrived recently. The boys' ring costs $19.78, the girls' slightly less, $17.52. Most students preferred red or blue stone, but black was available and requested by a few.



DANNY COURTNEY, SR. SPEAKS AT GAMEWELL P.T.A.

Danny Courtney, Sr., representative in the N. C. General Assembly, spoke to the Gamewell P.T.A. at its first meeting of the year on September 14. He summarized briefly what he believed to be some of the more important items brought before the Assembly during its recent session.

The Caldwell County legislator briefly outlined the organization of the Assembly, explained that much of the work is done in committees, explained that he asked for six committees, but eventually served on thirteen.

Commenting informally on his first work as a legislator, Mr. Courtney said, "It's a rather strenuous job, but gives you first-hand experience in the workings of state governments . . . I do not regret undertaking the job of serving in the legislature. I feel the session was very rewarding for me. I made many friends that I would not have made otherwise."

Several items of business were brought before the parent-teacher group. Over a hundred dollars was pledged to the school as a partial payment on insurance for the football team. The Gamewell Athletic Association and the Gamewell Ruritan Club are sharing in this project. A like amount was pledged to the Gamewell Band, chiefly for purchasing uniforms.

RURITANS HONOR STUDENTS FOR '58-'59

At the Ruritan meeting held on September 17, five Gamewell High School students were honored for outstanding achievement for the 1958-'59 school year. Those awarded were Jimmy Watson and Linda Lail for outstanding athletic achievement; Eugene Moore for being outstanding in the F. F. A.; Melvin Lutz for his safe bus driving; and Alan Craig for citizenship.

JO ANN BUCKNER JUNIOR PRESIDENT

Jo Ann Buckner was elected president of the junior class at a recent meeting. Jim Watson was elected vice-president, Harold Huffman, treasurer.

The members of the junior class are working on several projects to raise money. They are selling 'hot dogs' at football games. This is the first year that games have been available at that 'hot dogs' stand. A profit of $25 was realized from the first night's work at the Salem game.

The class is also selling Christmas cards. The school district has been divided into sub-divisions with three to eight students covering each division.

Peggy.
I have enjoyed knowing you and going to school with you for the last 12 years. I wish you lots of luck, happiness, and success in the future. May all your dreams come true.

a friend always
"Eddie"

Peggy,

To a very sweet girl, I wish for you happiness and success in life. Please stay as cute as you are now.

Peggy:

This is it and not "I" and "U" — the end of school for us. I know you are going to school next year and I wish you all the luck in the world. You are a very determined girl and I know you will do whatever you set your mind to. We have really had some good times here at Samuel. You and Georgene have added something to my life that can never be taken away. You have all the qualities of a very successful person. You really do. I had such a wild time. The End was I mean the very end of such for you from now on life.

Peggy, I have truly enjoyed knowing you these past years. Not knowing you would have been a misfortune. I really enjoyed working with you in the store. Peggy, I really don't know how to put in words the way I feel about you. I glad we're rooming together at Washington Will take that place apart! I hope we have a ball. I think we will, don't you? Always ~~[illegible]~~ stay the way you are and I'm sure the best will be yours. I really think you have the best personality in school.

What is your last name?

Love always,
Brenda Hoyle

Peggy.

I certainly have enjoyed being in the Senior class with you this year. I wish you the best success at Charlotte, this summer. May you and Doug have all the happiness in the world because you two are the type of people who deserve it. Shall we always be friends.

Love always.

Jo Anne W. Lutz.

Peggy,
I sure have enjoyed being a senior with you. Maybe we aren't parting forever this year. I mean maybe we'll see each other occasionally. If you settle down in Senior with Doug. Here's wishing you all the happiness you deserve.

Best Wishes,
Mrs. J. D. Bradshaw, Jr.

Peggy,
Nice to know you, but I wish I had known you better. I'm sorry we are parting. Best wishes!

Peggy,

I can think of many things to say to you, but many of them have already been told to you. First, for being so sweet to me — thanks. You just can't imagine how a teacher feels toward those who help her in every way. I hope you won't ever forget ole "Teach". Write me next year.

Peggy,

We are about to depart upon our journey in life. We shall be armed with the tools of education. I am sure you, with your intelligence, have mastered these tools. Kincaid,

Oops! I should have said Bizzy shouldn't have I — well anyway you will always be Kincaid to me even though something has changed. You know, like June so. Liz, you are just wonderful and I love you like you were my own sister. You have made my last year at Barnwell so very happy in so many ways. We have really had some good laughs together. Our talks down at the old store and our little whispers here and there. And of course our pop-cycles. "Do you want a cherry or lime?" And my little joke — a cherry, I need one! Ha Ha! Our cookie scene, and of course our never loosing a piece of bubble gum just because it fell on the floor! I'll always remember when I went home with you during that snow. We didn't eat too much — now did we? I'm so happy for you and Doug, and I know you are the happiest girl in the world. I wish I were as happy, but maybe someday I will be. I'm looking forward to our Washington Trip, we are going to have a blast I know. I'm running out of space so I'll just say, May the best of everything be yours and Doug's.

Love Always,

Florence

Peggy,
You're just plain wonderful! I admire your mature and yet you are loads of fun. You are the prettiest and kindest girl I know. Wow, are you a cute "chick" too. (Hey do you keep a tan in the winter too.) I mean it sincerely when I say that your friendship is one that I will always treasure. (I hope we can get together some after school is out)

Love,
Evelina

Peggy,
We have had some fun times together. I am sorry we haven't seen more of one another. I remember the many lunches we've had at "Bob's" and the [illegible] we've had together.
I want to wish you all the very best of luck in your future endeavors. Please write sometime (when you're not busy) and let me know how you are making out. Please give my regards to any of our friends you see and tell them I'll be seeing them soon.
Sincerely,
Gina Peggy Cass

Peggy:
I have enjoyed these twelve years together. You have been very well recognized at Gamewell for your warm friendly smile in passing in the hall. Not speaking of being at parties, beach, or just together.
Good Luck.
Danny C.

Peggy

I can't say how much fun it has been going to school with you these past 2 years. You have all the qualities that make into a wonderful girl. The best of everything in the future.

Love,
Lucky

Peggy,

You are a very sweet and intelligent girl, and it has been a great pleasure going to school with you. I'll always remember your smiling face and sweet personality. I want to wish you the best in the years to come.

Always a friend
Edna Crews

Peg,

I really don't know how to tell you this but I'll try. I don't know of any one girl that's been as sweet and nice as you have been in the years that I've known you. You're a real good room-mate (at the beach) even if there was three in the bed, more or less. Remember that bath tub. That's the craziest thing I've ever seen. Real gone man!! I have truly enjoyed going to church with you and helping out with the ole secretary job. We've had some real crazy times at M.Y.F. I hope that next year after you're gone that you'll always come back to Littlejohns. (Best in the Land). Peg, I can't keep many secrets but I'll never tell the one you told me at revival last summer. I'll tell you my secrets some day when you've got lots of time. Peggy, there's nothing you and I want the best of everything, you deserve it. Best of (unneeded) Luck always. Martha Winchester

Peggy, (Pilk)

I sure do hate to see you Snow's leave this year, but for your sake I'm glad.

We certainly have had some good times together, and I have really appreciated, and enjoyed your friendship.

It sure would be nice if we could go back to the beach together this year, boy if we could I'd go, wouldn't you?

If the slight chance ever possible, I think we might arrange to go. You and Doug could make it alright, but I dunno tho, well there would have to be some changes made in our case, now wouldn't there?

Peggy, I couldn't begin to tell you how much your wonderful friendship has meant to me. Every little thing that you have done or said to me, about certain things, has really helped me a lot. I'll always remember you for that.

Oh crap, here I have gone and written a whole page. I'm sorry.

The Very "Best of Everything" to you and yours. I sure hope everything turns out for you and Doug like you want it.

Love Ya +
Always a Friend
Martha

Peggy,

Your friendship has meant a lot to me [illegible] years. You have [illegible] it. Stay that way. A page of education won't mean [illegible] of our friendship. Always remember me as one of your best friends. I would like to wish you [illegible] all the success [illegible] with good luck. God bless you.

Love,

[illegible]

Peggy — I count you among the best students I have had in class at Barnwell. You are an "asset" now and I feel that you shall remain an asset to this school. I think I speak for the entire faculty, when I say that you shall certainly be missed next year.

You have the personality, desire, and a real sense of value when it comes to meeting people, tackling any problem — You shall be a success.

Remember: Many receive advice; only the wise profit by it. ——

M. Holman
